CMA CGM Strengths

- Shortest transit time from Northern Europe to the Canary Islands in a service optimized for this market, especially for refrigerated goods.
- The only shipping line to have a direct connection from the Northern main ports to Las Palmas and Tenerife as well as Gibraltar with transshipment
- South Spain covered by weekly calls to Huelva and Cadiz
- Various transshipment opportunities to and from the Scandinavia/Baltic Region and other outports, connecting all Northern Europe with the Canary Islands, Ferrol and South Spain quickly and reliably.
- Strong intermodal network with dedicated trains, barges, inland depots
- Increasing intermodal connectivity across Northwest Continent & Central Europe through Rotterdam & Hamburg gateways
